Notice

Affirm Inc.,

I, William James Wright V - Trustee, the person, have a few questions. The Trustee is speaking only on behalf of WILLIAM JAMES WRIGHT V, PMA and in the Trustee capacity of said entity. The claim states, as of November 25, 2021, the total unpaid principal balance is \$372.97. My question is, does \$372.97 represent a positive or negative number? I believe that the number is negative due to the bankruptcy of 1933, the Executive Order 102608, and the removal of the gold standard by Roosevelt, and the removal of the silver standard. If the precious metals that were used to back the, US or federal reserve notes are gone, so than the positive value is gone. How does a negative currency pay off a negative debt? A negative does not make a negative closer to positive. I understand the demand for a specific kind of currency within the contract of "Note" known as LOAN ID: YUVP-WXAD. It is my hope that you will understand my situation and help me get a better knowledge of these rules and regulations.

Please provide me with verifiable evidence of your statements and you have 15 days from the time you get this Notice or it will be your admission that my claims are true. The Trustee of WILLIAM JAMES WRIGHT V, PMA is seeking to be in honor with your company and make payment towards the negative debt. Here is your payment I believe I owe you; Page 2 and 3, this money order is backed by silver, and as silver is a positive value this money order backed by silver is more money than the U.S. -\$372.97 dollars that you claim is your due, and is considered the demanded currency recognized by the bank and constitution of the United States. Please Notify any private creditor meaning a person and/or person(s) representing or speaking on behalf of Affirm Inc. claiming the owed "principal" on LOAN ID: YUVP-WXAD. If there are any questions, please contact the U.S. Treasury or the Treasury of the United States for verification of these claims. This is Final payment for proper credit and full discharge within your account.

Best Regards,

William James Wright V - Trustee
